CAMBRIDGE INTERNATIONAL EXAMINATIONS  
International General Certificate of Secondary Education

**ACCOUNTING**

**0452/03**

Paper 3

October/November 2003

**1 hour 45 minutes**

Candidates answer on the Question Paper.  
No Additional Materials are required.

**READ THESE INSTRUCTIONS FIRST**

Write your Centre number, candidate number and name on all the work you hand in.  
Write in dark blue or black pen in the spaces provided on the Question Paper.  
You may use a soft pencil for rough working.  
Do not use staples, paper clips, highlighters, glue or correction fluid.

Answer **all** questions.  
At the end of the examination, fasten all your work securely together.  
The number of marks is given in brackets [ ] at the end of each question or part question.  
You may use a calculator.  
Where layouts are to be completed, you may not need all the lines for your answer.  
The businesses mentioned in this question paper are fictitious.

If you have been given a label, look at the details. If any details are incorrect or missing, please fill in your correct details in the space given at the top of this page.

Stick your personal label here, if provided.

1 John Kamel is a sole trader whose financial year ends on 31 July.

(a) The following account appears in John's ledger.

Disposal of Motor Vehicle account

	\$		\$
2003		2003	
Mar 12 Motor Vehicles	5 000	Mar 12 Provision for Depreciation	3 000
		XY Garages	1 500
		July 31 Profit and Loss	500
	5 000		5 000

For candidates who are not familiar with the layout of the account shown above, an alternative presentation is provided.

Disposal of Motor Vehicle account

		Dr \$	Cr \$	Balance \$
2003				
Mar 12	Motor Vehicles	5 000		5 000
	Provision for Depreciation		3 000	2 000
	XY Garages		1 500	500
July 31	Profit and Loss		500	0

Explain **each** entry in the Disposal of Motor Vehicle account as it appears in John Kamel's ledger.

March 12 Motor Vehicles

.....

.....

.....

March 12 Provision for Depreciation

.....

.....

.....

- (ii) When preparing the Profit and Loss Account for the year ended 31 July 2003, Kamel included depreciation of machinery at 60% of the cost price instead of 20% of the book value of the machinery.

Calculate how this error would affect John's Net Profit for the year ended 31 July 2003. Show your workings.

- (c) The financial year of El Sayed Manufacturing Company ends on 31 August. The following information is provided.

Stocks	At 1 September 2002	At 31 August 2003
	\$	\$
Raw material	7040	6220
Work in progress	810	950
Finished goods	5780	6100

For the year ended 31 August 2003

	\$
Sales of finished goods	180 500
Purchases of raw materials	43 820
Wages – factory operatives	40 190
factory supervisors	18 400
office and sales staff	37 000
General expenses – factory	5 340
office	3 600
Rates and insurance	7 500

Additional information –

- The factory machinery cost \$42 000 and the office machinery cost \$23 000. In each case the annual depreciation charge is 20% on cost.
- The rates and insurance are to be apportioned - factory 4/5 and office 1/5.
- On 31 August 2003 wages due were – factory operatives \$1170  
office staff \$600.

Extract the necessary information from the above figures and prepare the Manufacturing Account of El Sayed Manufacturing Company for the year ended 31 August 2003.

3 Martha Masule is a trader who does not keep a full set of accounting records. Her financial year ends on 31 October. All her purchases and sales are made on credit terms.

(a) On 1 November 2002 Martha’s debtors owed her \$2850 and on 31 October 2003 they owed \$3050.

During the year ended 31 October 2003 Martha received cheques from debtors amounting to \$39 050 and allowed them cash discounts totalling \$750.

Calculate Martha’s sales for the year ended 31 October 2003. Show your workings.

5 Archer and Bowman are partners.

Their Profit and Loss Account for the year ended 31 August 2003 showed a net profit \$18490.

It was then found that the following errors had been made.

1. No entry had been made for a stock of stationery, \$30, on 31 August 2003.
2. The stock of goods for re-sale on 31 August 2003 had been valued at selling price, \$8400, instead of cost price, \$7000.
3. No entry had been made for depreciation of equipment. The equipment cost \$13000 and was estimated to have a scrap value of \$1000 after 6 years. All the fixed assets of the partnership are depreciated using the straight line (fixed instalment) method.
4. Discount received of \$210 has been included in the expenses instead of the income in the Profit and Loss Account.
5. A provision for doubtful debts is maintained equal to 5% of the debtors at the end of each financial year. On 1 September 2002 the provision was \$400. On 31 August 2003 the debtors owed the partnership \$8400. No adjustment has been made to the provision for doubtful debts.

(a) Prepare a statement to show the effect of correcting **each** of the errors 1–5 on Archer and Bowman's original net profit. Calculate the corrected net profit. The first one has been completed as an example.

Archer and Bowman
