Paper 1

October/November 2012

1 hour 45 minutes

Candidates answer on the Question Paper.
No Additional Materials are required.

READ THESE INSTRUCTIONS FIRST

Write your Centre number, candidate number and name on all the work you hand in.
Write in dark blue or black pen.
You may use a soft pencil for any diagrams or graphs.
Do not use staples, paper clips, highlighters, glue or correction fluid.
DO NOT WRITE IN ANY BARCODES.

Answer **all** questions.
You may use a calculator.

Where layouts are to be completed, you may not need all the lines for your answer.
The businesses mentioned in this Question Paper are fictitious.

At the end of the examination, fasten all your work securely together.
The number of marks is given in brackets [] at the end of each question or part question.

This document consists of **19** printed pages and **1** blank page.

* 5 4 3 1 7 4 0 2 3 0 *

1 There are 10 parts to Question 1.

For **each** of the parts (a) to (j) below there are four possible answers **A**, **B**, **C** and **D**. Choose the **one** you consider correct and place a tick (✓) in the box to indicate the correct answer.

(a) Which document is used by a supplier to notify a customer of goods supplied, goods returned and payments received in a month?

- | | | | |
|----------|-------------|--------------------------|-----|
| A | credit note | <input type="checkbox"/> | |
| B | debit note | <input type="checkbox"/> | |
| C | invoice | <input type="checkbox"/> | |
| D | statement | <input type="checkbox"/> | [1] |

(b) A trader buys a motor vehicle, for use in his business, on credit from J. Sango.

How is this recorded in the trader's ledger?

	account to be debited	account to be credited	
A	bank	motor vehicle	<input type="checkbox"/>
B	motor vehicle	bank	<input type="checkbox"/>
C	motor vehicle	J. Sango	<input type="checkbox"/>
D	J. Sango	motor vehicle	<input type="checkbox"/>

[1]

(c) On 1 January 2009 a trader bought a computer for use in his business. He sold the computer on 31 December 2011.

How should the transaction of 31 December be classified?

- | | | | |
|----------|---------------------|--------------------------|-----|
| A | capital expenditure | <input type="checkbox"/> | |
| B | capital receipt | <input type="checkbox"/> | |
| C | revenue expenditure | <input type="checkbox"/> | |
| D | revenue receipt | <input type="checkbox"/> | [1] |

(d) A trader provides the following information for the year ended 30 April 2012.

	\$
sales	60 000
expenses	15 000
profit for the year	10 000

What is the cost of sales for the year ended 30 April 2012?

- A** \$25 000
- B** \$35 000
- C** \$45 000
- D** \$50 000 [1]

(e) Which is a non-current liability?

- A** bank loan repayable in five years
- B** bank overdraft repayable in six months
- C** freehold property
- D** trade payables [1]

(f) A business provides for the depreciation of its non-current assets.

What is the effect of this?

	net profit	net book value of non-current assets	
A	decrease	decrease	<input type="checkbox"/>
B	decrease	increase	<input type="checkbox"/>
C	increase	decrease	<input type="checkbox"/>
D	increase	increase	<input type="checkbox"/> [1]

*For
Examiner's
Use*

(g) In a partnership appropriation account, which is correct?

- | | | | |
|----------|--|--------------------------|-----|
| A | Salaries and interest on capital will increase divisible profit. | <input type="checkbox"/> | |
| B | Interest on capital and interest on drawings will increase divisible profit. | <input type="checkbox"/> | |
| C | Salaries and interest on capital will decrease divisible profit. | <input type="checkbox"/> | |
| D | Interest on capital and interest on drawings will decrease divisible profit. | <input type="checkbox"/> | [1] |

(h) How is factory cost of production calculated?

- | | | | |
|----------|---|--------------------------|-----|
| A | prime cost – factory overheads – increase in work in progress | <input type="checkbox"/> | |
| B | prime cost – factory overheads + increase in work in progress | <input type="checkbox"/> | |
| C | prime cost + factory overheads – increase in work in progress | <input type="checkbox"/> | |
| D | prime cost + factory overheads + increase in work in progress | <input type="checkbox"/> | [1] |

(i) What is shown by the percentage of net profit to revenue?

- | | | | |
|----------|--|--------------------------|-----|
| A | whether the cost of revenue has decreased | <input type="checkbox"/> | |
| B | whether the expenses are well controlled | <input type="checkbox"/> | |
| C | whether the selling price has increased | <input type="checkbox"/> | |
| D | whether the inventory is being sold quickly enough | <input type="checkbox"/> | [1] |

(j) A trader included his personal telephone bill in the telephone expenses account of his business.

Which accounting principle is the trader not applying?

- | | | | |
|----------|---------------------|--------------------------|-----|
| A | business entity | <input type="checkbox"/> | |
| B | going concern | <input type="checkbox"/> | |
| C | matching (accruals) | <input type="checkbox"/> | |
| D | prudence | <input type="checkbox"/> | [1] |

[Total: 10]

Question 2 is on the next page.

2 (a) Name two books of prime (original) entry.

- 1
- 2 [2]

(b) In the table below, place a tick (✓) under the correct heading to show whether the item is income or an expense of a business.

	Income	Expense
Debenture interest		
Factory overheads		
Commissions received		

[3]

(c) Bedou is a new supplier of goods on credit to Anwar. Suggest **one** reason why Bedou would be interested in Anwar's financial statements.

-
-
- [2]

(d) Alan's trial balance does not balance. Give **two** possible reasons for this.

- 1
-
- 2
- [4]

(e) Jenny has received her bank statement. The following items have not yet been entered in her cash book. Place a tick (✓) in the table below under the correct heading to show whether the item will increase, reduce, or have no effect on the debit balance in her cash book.

	Increase	Decrease	Have no effect
Bank charges			
Credit transfer			
Dishonoured cheque			

[3]

(f) Give **one** example of an intangible non-current asset.

..... [1]

(g) Singh bought goods, \$240, on credit from Malik. This was recorded in Singh's books as \$420.

(i) Name the type of error which has been made.

..... [1]

(ii) Show the journal entry required to correct this error. A narrative is **not** required.

Singh Journal

	Debit \$	Credit \$
.....
.....
.....

[3]

(h) Lindie maintains a provision for doubtful debts of 3% of her trade receivables. Her trade receivables amounted to \$28 000 on 1 November 2011 and \$32 000 on 31 October 2012.

Calculate the amount of the increase in Lindie's provision for doubtful debts on 31 October 2012.

.....

[Total: 22]

3 Prince makes engine parts. His financial year ends on 30 September.

The following items remained on Prince's books after the preparation of the income statement for the year ended 30 September 2012.

	\$
Bank	500 Dr
Bank loan (repayable 2018)	2800
Capital	6800
Equipment at cost	3500
Inventory	3300
Motor vehicle at cost	4500
Other payables	900
Provision for depreciation – equipment	600
Provision for depreciation – motor vehicle	1000
Trade payables	2700
Trade receivables	3000

REQUIRED

(a) Prepare Prince's balance sheet at 30 September 2012 on the following page.

Prince is interested in how easily he can turn the current assets of his business into cash and whether his business will be able to pay the current liabilities as they fall due.

REQUIRED

(b) (i) State the formula for the calculation of the current ratio.

.....
..... [1]

(ii) Calculate Prince's current ratio at 30 September 2012. Show your workings and give your answer to **two** decimal places.

.....
.....
..... [2]

(iii) State and explain whether Prince will be satisfied with his current ratio.

Will he be satisfied?

Reason

.....
..... [3]

(c) (i) State the formula for the calculation of the quick (acid test) ratio.

.....
..... [1]

(ii) Calculate Prince's quick (acid test) ratio at 30 September 2012. Show your workings and give your answer to **two** decimal places.

.....
.....
..... [2]

(iii) State and explain whether Prince will be satisfied with his quick (acid test) ratio.

Will he be satisfied?

Reason

.....

..... [3]

(d) Suggest **one** way in which Prince could encourage his customers to pay their accounts more quickly.

.....

..... [2]

(e) Suggest **one** way in which Prince could improve his working capital.
